

DJ AF AXIAL JET FAN

Efectis EN 12101-3

FEATURES

- ▶ Axial jet fan tested according to EN 12101-3, fire resistant for 2 hours at 400°C and 300°C
- ▶ Specially designed for car park smoke extraction and daily ventilation applications
- ▶ Wide model range with diameters from Ø315 to Ø630 mm
- ▶ Uni-directional or reversible operation with single-speed or two-speed motor options
- ▶ Galvanized steel casing with adjustable aluminum alloy impellers
- ▶ Integrated silencer ensuring low noise levels at high air velocities
- ▶ IP55, Class H motor, 380–415 V / 50 Hz
- ▶ Sliding body design for fast maintenance and easy motor access
- ▶ Fully compatible automation integration with gas detection and fire detection systems
